DEATHMATCH ★ 5 BLUE EDITION

Model: 8801BL30

The **Deathmatch 5** case will be perfect for a high-performance Gaming configuration. It is compatible with **ATX** or Micro-ATX motherboards and can accommodate a 355 mm long graphics card. Its design and side window provide a unique style that is highlighted by the three 120 mm LED fans at the front. Its tinted transparent front and acrylic side window will allow you to always keep an eye on all your components.

Efficient cooling: With 3 **LED** fans of 120 supplied at the front, the Spirit of Gamer Deathmatch 5 offers excellent heat dissipation. Thanks to the placement of the power supply on the lower part of the housing, the air flow is not hindered by any obstacle.

Designed to accommodate a high-performance configuration, the Deathmatch 5 offers a large interior space for the installation of all your IT components. With no less than 2 x 3.5" and 2 x 2.5" bays, as well as 7 PCI slots.

Its electric BLUE look will give it a devastating look!

This model is also available in Red, Blue and White.
