GAMING CHAIR DEMON RED

Model: SOG-GCDRE

DESIGN TO PLAY

The Spirit Of Gamer seats offer ergonomic design for unparalleled comfort. Each of our Series is designed with attention to detail and offers a multitude of settings and features. With a tub-type design, the Spirit Of Gamer seats give you an ideal posture: **your spine stays aligned in the most natural anatomical position possible.**

MADE TO WIN!

The chosen materials are of the highest quality: steel frame for better strength! High density foam and padding to keep your seat in shape and comfort.

A high fashion finish with its faux leather upholstery and precise assembly with quality stitching ... The ultra-Gamer look with its sewn emblems: design made in France!

NO LIMITS ...

At the forefront of technology and ergonomics, especially with the multifunctional seat mechanism that will allow you to make precise adjustments to the inclination of the backrest, tilting ... The height is also adjustable at will, in Indeed, the Spirit Of Gamer Demon seats are equipped with Class 3 cylinders capable of supporting a load of 150 kg. Finally, with a thermoformed base equipped with 5 wheels, you can move safely.

DEMON

The armrests are designed with flexible and flexible materials. They are adjustable in 2D. Our goal: to always offer you a position best adapted to your use. Included, 2 removable cushions are in each series. They will bring extra comfort to your lumbar and neck so that you are perfectly settled.

Spirit of Gamer, The game starts here!
