DESIGN TO PLAY

The Spirit Of Gamer seats offer ergonomic design for unparalleled comfort. Each of our Series is designed with attention to detail and offers a multitude of settings and features. With a tub-type design, the Spirit Of Gamer seats give you an ideal posture: your spine stays aligned in the most natural anatomical position possible.

MADE TO WIN!

The chosen materials are of the highest quality: steel frame for better strength! High density foam and padding to keep your seat in shape and comfort.

A high fashion finish with its faux leather upholstery and precise assembly with quality stitching ... The ultra-Gamer look with its sewn emblems: design made in France!

FIGHTER

A new range of comfortable chair with a neat design. You are under control! The tub shape offers a perfect support for your back and supports your lumbar. With an ergonomic design, high density foam, Fighter will be your best ally for spending hours in front of your screen!

Spirit of Gamer, The game starts here!
