HEADQUARTER 400 GAMING DESK

Model: SOG-DESK400

NEW! The new Gaming Headquarter 400 desk with its integral carpet offers a design and solid finish for your setup. Its XXL surface area of 140 cm * 60 cm is large enough to accommodate 3 x 27" screens. Your new HQ will easily receive your entire setup: Keyboards, Mouse, Headsets and even your microphone to stream your games.

LIGHT ON: the sides of the legs are equipped with RGB LEDs. All you have to do is plug the USB cable into your PC and select one of the 6 predefined modes with a dedicated button which is integrated on one of the stands.

GAMING ARENA: Your helmet will always be within reach thanks to the included brackets and not only! To prevent your energy drink from being spilled on your keyboard, we have equipped Headquarter with the cup holder. Its unhooked position even allows you to put a mug in it :)

BORN TO FIGHT We warned you :p Headquarter 400 is solid ! Top in 18 mm thick MDF with carbon coating, steel structure and 4 adjustable feet for better stability.

BATTLEFIELD... To keep your setup organised and tidy, Spirit of Gamer offers you its advanced cable management system to hide and group your cables: Basket fixed under the desk, cable clamps and cable grommets.
