EKO GAMING AND LIVE STREAMING MICROPHONE

Model: MIC-EKO

EKO gives you high quality sound with its noise reduction filter, ideal for streaming, recording, or conversations (multifunction button 3 in 1: Mute, Volume +/-).

The microphone is detachable with its articulated foot to adjust the angle to your liking.

EKO requires a USB interface for Plug and Play installation.

You can also use EKO with applications such as: Discord, TeamSpeak, Twitch, Skype ... Windshield included: foam protection against the wind.
