ELITE H20 HEADSET

Model: MIC-EH20

The headset adapts to the shape of your head thanks to its height-adjustable headband.
Imitation leather cushions for long-lasting comfort during your gaming sessions
40mm drivers produce clear sound and powerful bass
Retractable microphone with Flip and Mute technology. Flip up the microphone to switch to mute mode in a flash! Lower the microphone to communicate with your Team.
Built-inline controller in the left earpiece for easy volume adjustment
The main cable, one mettre long, connects directly to your PS4 controller, XBOX ONE or Nintendo Switch system. For PC compatibility, the headset is supplied with a 3.5 mm double jack extension cable.
