RGB XPERT H600 HEADSET

Model: MIC-XH600

7.1 VIRTUAL SURROUND SOUND: Designed for playing with a high-definition C-Media chipset! Enjoy a 360º experience with the 7.1 virtual surround sound of the XPERT H600. A realistic audio effect during your gaming sessions lets you hear your opponents approaching and prepare to face them!

The 50mm speakers produce clear sound and powerful bass.
The headset adapts to the shape of your head thanks to its height-adjustable headband.
Imitation leather cushions for long-lasting comfort during your gaming sessions
Rainbow RGB LED backlighting for headphones
Detachable noise-cancelling microphone for clear and precise conversations with your teammates
Wired remote control: adjustable volume control, microphone mute
3.5 mm jack port to use the headset on a PS5 / PS4, XBOX SERIES X|S / XBOX ONE or Nintendo Switch console (*: RGB and 7.1 functions not compatible with the console)
2.2 meters long USB cable
