XPERT-K700 RED SWITCH RGB LED MECHANICAL KEYBOARD

SWITCH VICTORY K700 RED

XPERT-K700 is a powerful mechanical keyboard designed for action! Enjoy responsiveness and longer life with K700 Victory red mechanical switches - ultra-fast response times compared to conventional membrane keypads. Its high-performance mechanical keys withstand any test with 60 million strikes. Ultra-fast, the keys require only 60 grams of pressure and an actuating distance of 2 mm.

ANTI-GHOSTING TECHNOLOGY

Concentrated technology, XPERT-K700 incorporates an advanced Anti-Ghosting system with N-Key Rollover (NKRO). Each keystroke is recorded, regardless of the total number of keys. You can also activate the 6-Key Rollover technology which will only take into account 6 keys. With Anti-Ghosting technology, you benefit from extra security and can combine key combinations without any flaws!

Model: CLA-XK700

RGB GAMING ARENA

Benefit from an individual LED backlighting of the customizable buttons and the chassis too! You have the possibility to select the brightness and the speed of the backlight, among 13 predefined Gaming Lights: Rainbow, Impact, Maze ... but also fixed among 7 colors (Red, Green, Blue, Yellow, Violet , Turquoise, White) 5 Special Modes [Player Arena]: Modes fully customizable thanks to its internal memory. Finally, 1 Mode [On / Off] to enable / disable the LEDs and a Mode [Sleep], the LEDs go to sleep after 10 minutes of inactivity. XPERT-K700 offers gaming comfort until the end of the night.

PLAY / OFFICE MODE:

XPERT-K700, offers you an optimal playing comfort with its Mode [Play] which allows you to disable the keys Windows®. Thus, there is no risk of leaving your game in the midst of deadly madness after an accidental hit. As for the Mode [Office] this allows you to reactivate the Windows® context menu and enjoy all the keys on your keyboard.

ERGONOMICS AND COMFORT:

With 12 shortcuts Multimedia key combination, you have direct access to several features: launch your favorite Playlist, adjust the volume quickly, launch your web browser ...

On the design side, XPERT-K700 boasts a neat finish with its metal frame, a removable XXL wrist rest (ABS) for extended play comfort. It is adjustable in height 1 position and equipped with anti-slip silicone pads for more stability. With 1.80 meters of USB cable gold plated, nylon braided and protected, it offers great freedom to arrange your setup!
