SPIRIT OF GAMER PRO-M3 MOUSE

Model: S-PM3

Increase your level of play!

With the PRO-M3 mouse from Spirit of Gamer, you will gain in accuracy and ergonomics to play to your full potential. With its HD optical sensor and its 3200 DPI but also its adjustable weight, it offers a pleasant grip for long hours of play. Don't wait any longer and go into battle with the best of allies at your side!

Software to take control

With the **Spirit of Gamer Pro-M3** you have software that will allow you to customize your mouse as you wish. Indeed, it is equipped with **7 programmable buttons** (macros, functions, controls...) and offers you the possibility to adjust the sensitivity via 4 resolution ranges.

The Pro-M3 also features 3 configurable gamer profiles and a customizable **RGB** backlight with several effects available to give it a unique look.
