GAMING EXTENDED MOUSE PAD S.O.G RED VICTORY - XXL

More precision !

Designed for Casual, Hardcore and Pro Gamers looking for speed, fluidity and precision in all phases of play, Spirit Of Gamer gaming mats offer a new arena for your mouse / keyboard combo even with extreme sensitivity.

High quality design.

Indeed, on the characteristics side, the Spirit Of Gamer carpets are designed to ensure a precise control of movements thanks to the use of an ultra-smooth fabric: a second skin with 5 mm thickness.

The topstitched edges are specially designed for comfort and intensive use ... finished coating detachments after a few days of play.

Finally, under the Spirit Of Gamer carpets, there is a textured rubber base that guarantees extreme grip ... complete the gaming mats that move during your movements.
