RACE PRO WHEEL

Race Wheel Pro for total realism in all your racing games on PlayStation®2, PlayStation® 3 and PC

Race Wheel Pro gives you ultimate driving sensations. You wait for the signal to leave! Hands on the steering wheel, fingers clenched on the sequential paddles, and your foot ready to crush the accelerator: The fire goes green ... Race Pro Wheel lights up and ensures perfect control of your racing car, the vibrations retranscribe your drifts ... sudden shocks for a feeling of total realism. With Race Pro Wheel, the ace of the wheel: it's you!
