17 "AIRBLADE BLUE COOLER

Maximum cooling performance : 4 silent 120mm fans quickly cool your laptop for ever more intensive gaming sessions! Thanks to its micro-perforated coating, AIRBLADE 500 offers a dynamic cold air flow for optimal cooling. And its LEDs integrated in the fan give an intense color of the most beautiful effect. Finally, equipped with a drive, AirBlade 500 allows you to adjust the speed of the fans.

Ergonomic design with 3 adjustable positions : AirBlade 500 offers real visual comfort and avoids uncomfortable and painful postures. Adjust the incline according to your needs, flat or from 7 ° to 14 °.

2 USB ports for maximum efficiency : AirBlade 500 is powered by your laptop via USB (5V): it does not require an adapter. Another USB port is included to connect different peripherals, like a Spirit of Gamer mouse for example!
