AIRBLADE 600 BLUE 17 "COOLER

Model: SOG-VE600BL

Optimum cooling: 4 silent fans quickly cool your laptop for ever more intensive gaming sessions! Thanks to its micro-perforated coating, AirBlade 600 offers a dynamic cold air flow for optimal cooling. On the design side, the LEDs integrated into the fans give an intense blue color of the most beautiful effect.

Take control: AirBlade 600 is equipped with an LCD controller. This will allow you to turn on or off the cooler, choose from one of 3 cooling modes! **Go Fast:** the 4 fans are lit, **High:** 2 fans 125 mm, **Low:** The 2 fans 70 mm and finally adjust the power of the fans with its 6 speeds

2 USB ports for maximum efficiency: AirBlade 600 is powered by your laptop via USB (5V): it does not require an electrical adapter. Another USB port is included to connect different peripherals, like a Spirit of Gamer mouse for example!

Ergonomic design with 4 adjustable positions : AirBlade 600 offers real visual comfort and avoids uncomfortable and painful postures. Adjust the incline to your needs from 10 ° to 22 °.

Compatible with laptops up to 17 inches : AirBlade 600 measures 39 x 28 x 2.8 cm. With its powerful ventilation system, AirBlade 600 also helps preserve the performance and life of the computer components of your laptop.
